Medicare Plans

Compare Plans & Rates

Our Univera on Demand plan comparison tool can help you find solutions for your clients.

Shop and compare plans for:

Individuals, Families and Sole Proprietors
Small Businesses of 100 or fewer full time equivalent employees

Features Include:

- View medical plans with side-by-side comparisons of up to four plans
- View and print detailed benefit summaries and community rates
- Search for plans by Plan ID or Enrollment code
- Shop and compare by product type, metal levels, and other key variables
- Summary of Benefits & Coverage (SBC)
- Pre-populated rate sheets with plan IDs and enrollment coded
- Forms and other resources to request a rate quote & implement a group
